

SALUTE AN ACHIEVEMENT

Remember a loved one

HONOR A COLLEAGUE

Have you been looking for a way to celebrate life or mark a special occasion? Become a permanent part of Labette Health for generations to come with the purchase of a commemorative brick in the *Murland and Charlene Taylor Family Healing Garden*. Through the generosity of the Murland Taylor family, this beautiful brick garden provides a way to remember loved ones, honor friends, mark a milestone, or say thank you, all while enhancing the newly remodeled entrance to Labette Health.

One-hundred percent of the funds raised through this project go directly to Labette Health Foundation. Through the years, the Foundation has been instrumental in funding *special needs for our hospital*. From life saving technology purchases to building renovations, and most recently the purchase of a third shuttle bus for non-emergent health services, you can rest assured the purchase of each brick will make a difference in the future of health care at Labette Health.

Please see the order form on the reverse side of this brochure to *reserve your commemorative brick(s)*. Should you feel at this time your charitable tax donation is more appropriate, please accept our heartfelt thanks in advance for your donation.

Your generosity will make the Murland and Charlene Taylor Family Healing Garden a beautiful place for the community to enjoy and will enable the Labette Health Foundation to continue our efforts towards building a healthier future for you, your family and our community.
